

The Illinois Department of Human Rights
Office of Illinois Attorney General Lisa Madigan

invite you to celebrate National Fair Housing Month with a week-long film screening of:

AMERICAN CASINO

American Casino is a documentary that tells the story of the events leading to the mortgage mess. This film details how subprime and predatory loans impacted communities of color, and how deregulation played a role in today's foreclosure crisis. Personal testimonies and striking images make this film a sobering and heartrending story. The film is directed by award-winning documentarian, Leslie Cockburn, and husband, writer-producer Andrew Cockburn.
